

COMPANY PROFILE

A photograph of a modern glass skyscraper at sunset. The building's facade is composed of a grid of dark metal frames and large glass panels. The interior lights are on, and the warm orange and yellow light of the setting sun is reflected on the glass, creating a shimmering effect. The text "YOUR RELIABLE PARTNER.." is overlaid in white, bold, sans-serif font on the left side of the building. In the background, other similar glass buildings are visible, and a tree with green leaves is on the right side. The overall atmosphere is professional and modern.

**YOUR
RELIABLE
PARTNER..**

Corporate

IROLLI launched its activities in Saudi Arabia in 2005 and was registered as a Saudi local company by mid-2009 with:

- Commercial register No. 2051040654
- Classified in multiple activities under Contractor Classification Ref# 19634
- Membership with Saudi Contractors Authority Ref# 11121112

IROLLI created its Services business line to complement and serve its Energy, Technology and Railway Projects covering civil requirement for Solar systems, Smart Traffic Light, Special cables laying, Rail tracks, etc. IROLLI Services is led by experienced management working in sync, linking their strength, and leveraging their experience to bring the best in technical services and project management.

Through experienced on-site project teams, coordination, planning, purchasing and quality control, IROLLI Services were extended to cover additional activities as follow:

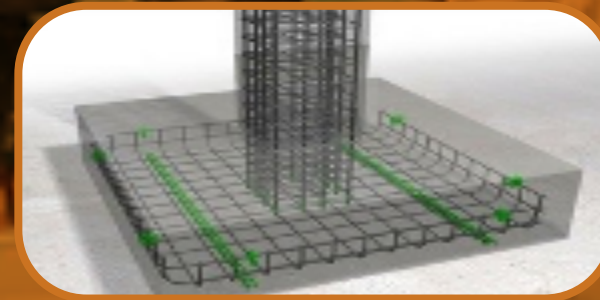

Services

Civil Work Department

accordance with specific standards and requirement of related authorities in terms of time, cost and quality, Civil Works Department includes - and not limited to - EPC serving special Projects such as foundation for Traffic Poles, Solar Panels structure, Traffic signs boards, Communication Towers, etc. in addition to other structures for Railways Application, cabling, etc.

Services

Landscaping & Pest Control Department

This Department provides landscaping services as well as comprehensive Integrated Pest Management (IPM) for achieving long-term, environmentally sound pest suppression using a variety of technological and management practice in addition to approved materials by SFDA and worldwide organizations.

Landscaping

Covering Soil Preparation and Grading, Irrigation (installation and maintenance), Hardscape Construction, Planting - Trees, Shrubs, Lawn, Lawn and Landscape Maintenance and Tree Care.

Pest control

Using a variety of technological and management practices in addition to approved materials by SFDA and worldwide organizations, Pest Control activities include comprehensive Integrated Pest Management (IPM) for all kind of premises such as industrial, residential, commercial, public, etc.

Services

Renovation & Maintenance Department

Our team of experienced carpenters, painters and craftsmen offer renovations, installation, and construction services for both interior and exterior projects. From small projects to major additions or renovations, IROLLI services provides full architectural and general design services and the craftsmen to expertly complete multi-disciplinary construction projects.

AGENCIES, ALLIANCES AND AFFILIATES

In addition to the CORE business service activities, IROLLI has also been expanding gradually its Portfolio by establishing wide range collaborations in terms of alliances and affiliations.

The objective of establishing such collaborations is to reinforce IROLLI Core service activities and to introduce, develop and implement the more advanced technology and quality products and services in the region.

In relation to outsourcing and establishing alliances, IROLLI Collaborates with the leading firms in Engineering, Consultancy, Materials, and Services:

CLIENTS

QUALITY MANAGERMENTS SYSTEM

IROLLI maintains and continuously improve an Integrated Quality Management System that complies with the requirements of the International Standard ISO 9001:2015.

Our quality objectives are to:

- ☞ Consistently and efficiently deliver services to our clients that comply with their specifications and relevant standards.
- ☞ Resolve client, employee and supplier queries promptly and in a friendly manner.
- ☞ Give out clients the utmost confidence in our services and ability to meet their needs.
- ☞ Continuously engage all stakeholders in meaningful consultation and communication.
- ☞ Measure our performance and use this information for the continual improvement of our services and quality management system.

HSE MANAGERMENTS SYSTEM

IROLLI's HSE management system aims to provide the framework and tools to manage evolving HSE issues quickly and easily while meeting the high standard of HSE performance and expectations of both the client and regulatory authorities.

We believe that nothing is more precious than human life and well-being and ensure that all conceivable measures are taken when we conduct our business to strictly comply with the highest international health and safety standards for achieving the goal of protecting human life.

IROLLI's integrated management system is internationally certified for compliance with ISO 9001:2015 Quality Management system, ISO 14001:2015 Environmental Management and ISO 45001:2018 Occupational Health and Safety Management.
