

# COMPANY PROFILE

A man with a beard, wearing a dark blue long-sleeved shirt, is seen from the side, sitting at a desk in a server room. He is looking at a laptop screen and has his hands on the keyboard. The room is filled with server racks containing various hardware components like drives and network cards. The lighting is dim with a warm, reddish-orange tint. The text 'YOUR RELIABLE PARTNER..' is overlaid in white on the left side of the image.

**YOUR  
RELIABLE  
PARTNER..**

# Corporate

**Client** Indra Arabia

**Duration** 2 Year, 2015

## IT & Telecom Department

**Project** Supply and installation of digital recorder and announcer (Supplier: Alarmco Message Repeater - USA)

**Client** Saudi Railways Organization

**Duration** 6 month, 2012

## IT & Telecom Department

**Project** Design, Supply, installation and maintenance of the Keymile transmission network solution for SRO's railway stations & cargo clearance gates

**Client** Saudi Railways Organization

**Duration** 2 Year, 2015 to 2016

## IT & Telecom Department

**Project** Project Management and Inspection services for the manufacturing and installation of Telecom Base Station Shelters for HHR Project:

**Client** Indra Arabia

**Duration** 6 Months, 2015

# PROJECTS

## IT & Telecom Department

Project Maintenance Supervision of HHR Telecom Base Station

Client Indra Arabia

Duration 2018 till date

## IT & Telecom Department

Project Supply and install UPS system

Client SITECH, Aramco, SRO

Duration

## IT & Telecom Department

Project Installation of Telecom & Security equipment for track-side railway S&T System (Indra-HHR)

Client Indra Arabia

Duration 2018 till date

## IT & Telecom Department

Project Supply Network switches - Royal Commission, Jubail

Client Alshalawi company

Duration

# PROJECTS

## IT & Telecom Department

Project Supply Data-Transmission network  
-Saudi Aramco

Client Aramco

Duration 2 Months, 2017

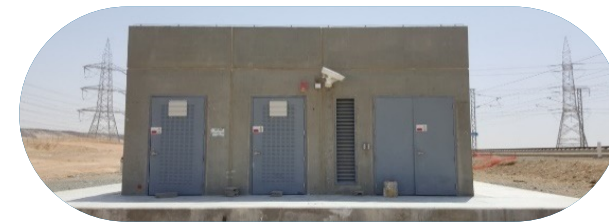

## Security Department

Project Installation, Testing and Commissioning of  
the Communications and complete security  
systems HHR

Client Indra Arabia

Duration 2014 till date

## Security Department

Project Development and Installation of Video  
Surveillance system on SRO Locomotives  
(Supplier: ICS Solution - UK)

Client Saudi Railways Organization

Duration 2 Year, 2013 to 2014

## Security Department

Project Supply and installation of Fuel monitoring  
system (Supplier: Centeron - USA)

Client Saudi Railways Organization

Duration 6 month, 2012

# PROJECTS

## Security Department

Project RFID study for tolling system and trucks management & tracking solution for King Fahad Causeway (KFCA)

Client

Duration

## Security Department

Project RFID study for assets management and tracking solution for King Fahad Causeway (KFCA)

Client

Duration

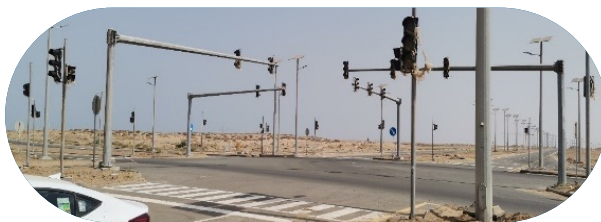

## Road Traffic Safety Department

Project Intelligent Traffic Light system - Saudi Aramco, Jazan

Client CCE company

Duration 4 Years , 2018 to 2021

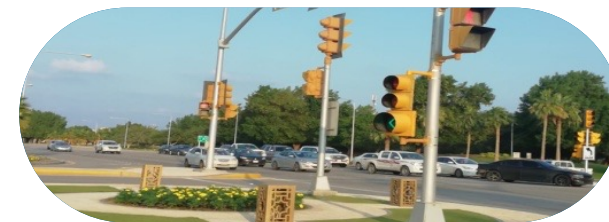

## Road Traffic Safety Department

Project Intelligent Traffic Light system - Royal Commission, Jubail

Client

Duration

# PROJECTS

## Road Traffic Safety Department

Project Intelligent Traffic Light system - Royal Commission, Mutrafiyah

Client shalawi - Aramco

Duration 1 Year, 2021

## Road Traffic Safety Department

Project Supply and install traffic signs boards II over the kingdom

Client TAHAKOM

Duration 1 Year, 2021

# CLIENTS

# QUALITY MANAGERMENTS SYSTEM

IROLLI maintains and continuously improve an Integrated Quality Management System that complies with the requirements of the International Standard ISO 9001:2015. Our quality objectives are to:

- Consistently and efficiently deliver services to our clients that comply with their specifications and relevant standards
- Resolve client, employee and supplier queries promptly and in a friendly manner
- Give out clients the utmost confidence in our services and ability to meet their needs
- Continuously engage all stakeholders in meaningful consultation and communication
- Measure our performance and use this information for the continual improvement of our services and quality management system

# HSE MANAGERMENTS SYSTEM

IROLLI's HSE management system aims to provide the framework and tools to manage evolving HSE issues quickly and easily while meeting the high standard of HSE performance and expectations of both the client and regulatory authorities.

We believe that nothing is more precious than human life and well-being and ensure that all conceivable measures are taken when we conduct our business to strictly comply with the highest international health and safety standards for achieving the goal of protecting human life.

IROLLI's integrated management system is internationally certified for compliance with ISO 9001:2015 Quality Management system, ISO 14001:2015 Environmental Management and ISO 45001:2018 Occupational Health and Safety Management.
